Create a clean look with maximum views.

During manufacturing, double- or triple-pane glass is built directly into the door. This design eliminates the need for a lite frame and screw plugs, achieving a seamless, consistent finish. EnLiten™ flush-glazed designs offer up to a 16% increase in visible glass area as compared to conventional lite frames, creating an airy, open feeling in the home with larger daylight openings.

Flush-Glazed Glass

Lip-Lite Frame

See the difference.

EnLiten flush-glazed designs provide a simple profile with no added embellishments around the glass.

Seamless style. Controllable privacy.

Smooth-Star. doors with internal blinds featuring EnLiten flush-glazed designs deliver simplicity and convenience with contemporary appeal. Discover attractive, durable entry solutions for around the house, including patio, side and back doors allowing for optimal daylight and outdoor views, or complete privacy.

Strength is built in.

Our doors are durable by design. Flush-glazed glass represents a trouble-free solution that provides a superior barrier against the elements, resulting in performance you can depend on.

Durable by design.

Double- or triple-pane glass is built directly into the door with a high-performance dual adhesive weather seal. This reduces the potential for air and water infiltration, among other benefits.

Superior Sound Dampening

Doors with flush-glazed glass do a better job of dampening outside noise compared to a Lip-lite alternative.

11% More Energy-Efficient

The Low-E glass used in flush-glazed doors delivers a clear view and is 11% more energy efficient than 1/2" Low-E glass in a Lip-lite frame.*

Withstands Winds Up to 167mph

Door systems with flush-glazed glass are designed and tested to withstand wind forces up to 167 mph (DP-50).** (ASTM-E330)

*Comparison of U-factor values of a flush-glazed full-lite door and a Lip-lite full-lite door, both with Low-E glass.

**Must be installed as part of a Therma-Tru door system in compliance with a Therma-Tru product approval. Impact-rated products not available.
